## 2022-2023 Community Peer Enrollment Application

The Roland Green Preschool offers a developmental program for children 3 to 5 years old. The program is designed in an integrated setting where children with disabilities are educated along with their typically developing peers. Concepts are presented in a thematic approach and the program is individualized to meet the needs of each child, but also follows the Commonwealth of Massachusetts guidelines to provide a solid beginning for students when they enter Kindergarten. Multi-sensory and hands-on experiences provide learning opportunities in social/emotional, language, motor and cognitive areas.

Our school consists of seven integrated classrooms where typically developing peers and students with disabilities are educated together. All Roland Green teachers are highly qualified teachers, certified in Special Education.

Peer model students have the opportunity to apply to the preschool if:

- o The child is 3 years old on or before September 1st of 2022
- o Not eligible for Kindergarten (5 on or before 9/1/2022)
- o The child is a Mansfield resident
- o The child is toilet trained at the time of enrollment.

### Application Process:
